(ADVANCE: FOR PMS OF MONDAY, OCT. 17, WITH THOMAS HOLLYWOOD COLUMN)
 (LAL-Oct.15) HOLLYWOOD, Oct. 17--TOPLESS DANCERS AREN'T IN HOLLYWOOD--
 Les Ballets Africains from the Republic of Guinea is on another tour of
 the United States amid the usual controversy of whether the female
 dancers should appear in topless costumes. That's the way they danced,
 top, in Honolulu, but in Los Angeles they ran into a police ruling that
 they must cover up, as in bottom picture. (AP Wirephoto)(rhs70300ho-hpm)66
